Vicente Carrillo®

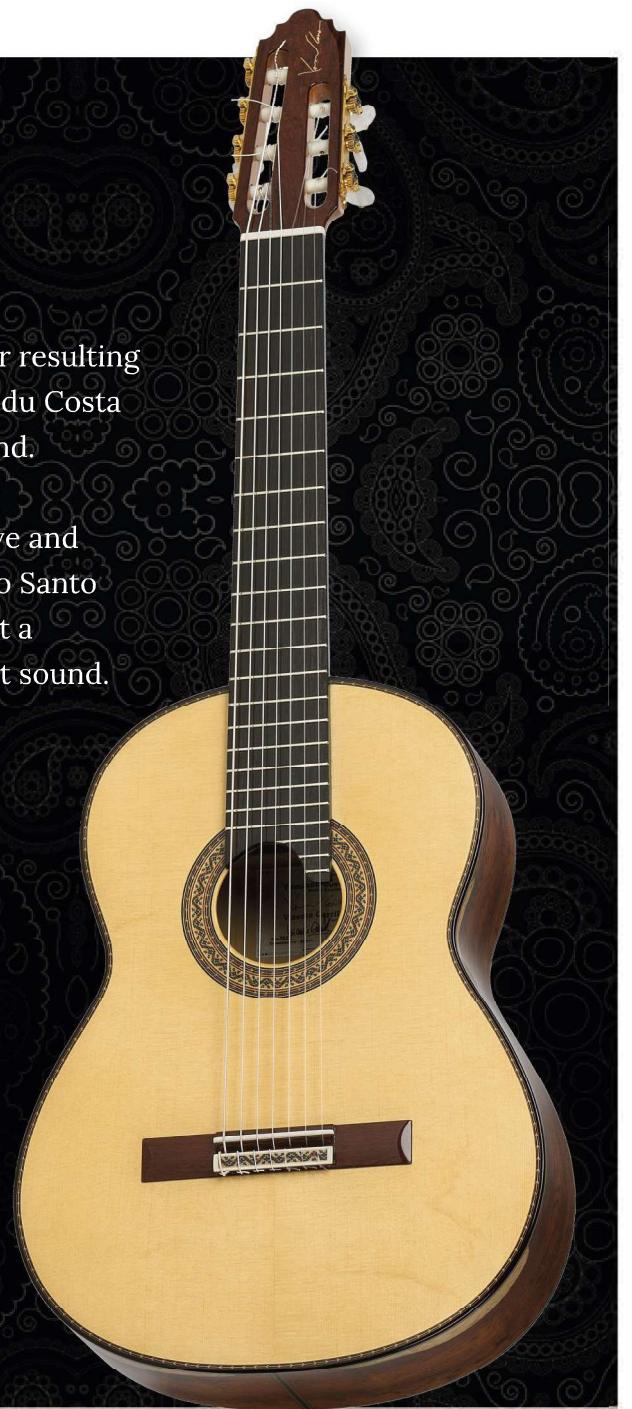

GRAN CONCERTO 7-STRING GUITAR

Excelência

The Yamandu Excelencia guitar is a 7-string guitar resulting from the joint work of Vicente Carrillo and Yamandu Costa to achieve an excellent and unique guitar of its kind.

For its design and development, the most exclusive and unique woods have been used; Spruce, Cedar, Palo Santo from Madagascar, Palo Escrito, capable of giving it a unique beauty along with a powerful and excellent sound.

A guitar designed and created for the most demanding professionals.
